

KERRY PENINSULA

Self-guided walking trail in Kerry 2010

The Iveragh peninsula, known world wide as the Ring of Kerry is the base for this self-guided walking package. You walk for 7 days following the way-marked Kerry Way, a low-level walking route, using the old droving paths and coach roads to create a journey through history and folklore.

For most of the walk you follow the coastline with its bays and inlets and beautiful sandy beaches, but you also enjoy spectacular views from the mountain passes of the surrounding land, seas, and islands out in the Atlantic Ocean. You will also pass through Killarney National Park, with some of Ireland's finest oak wood. And all along the way you will come past archaeological remains telling you the story of the people who lived in the Kingdom of Kerry through the centuries.

You will stay in B&Bs along the route. All rooms are en-suite, meals are excellent, and the scenery could not be better. Your luggage will be transferred and you will be brought to and from Killarney at the start and finish of your tour. You will walk along tracks, with the help of maps supplied and walk description.
