

KERRY PENINSULA CYCLING

Self-guided cycling trail in Co. Kerry 2010

The Iveragh peninsula, known world wide as the Ring of Kerry is the base for this self-guided cycling package. The Ring of Kerry abounds in natural wonders and the beauty and grandeur of the scenery is unsurpassed by any in Ireland.

Starting in the town of Killarney – made famous by the magnificent "Three Lakes of Killarney" the "Ring" then continues *anti-clockwise* through Killorglin, to Caherciveen, on to Waterville and Sneem before returning to Killarney. We, however, find this route to be "over-run" with tourists and therefore unkind to cycles – so for that reason – we suggest a much more leisurely and quieter mix of inland and coastal routes to give just the same beauty and splendour – if not more.

You will stay in B&Bs along the route. All rooms are en-suite, meals are excellent, and the scenery could not be better. Your luggage will be transferred each day for you and you will cycle with the help of maps supplied and cycle description.
