

MINI CYCLING BREAK

Self-guided cycling Connemara & Mayo 2007

You don't have a week just a couple of days and you want to be on the road. This tour is especially for you. Our mini cycling break still captures the essence of this beautiful region on the Western Coast of Ireland. Discover the unique beauty of Killary Harbour, the bustling atmosphere of the market town of Westport, Cong's quaint village, as well as the many attractions along the way.

Connemara - the western wonderland of Europe, where rugged mountains soar above wild Atlantic beaches. Here there is a peace no longer found in the populated areas, and purity so refreshing in contrast to the pollution of the cities. It is also a land of great contrast from mountain to sea.

DAILY ITINERARY

DAY 1

Arrive to the wonderful town of Westport (there is direct bus and train service to Westport daily). Warm welcome and chance to settle in. You will be given your route pack and general information to study overnight. If there is time we will allocate bikes and equipment. Westport is a nice town with lots of restaurants and pubs where you can find music on most evenings.

DAY 2

You leave Westport today to cycle to Cong. You depart after breakfast via Aghagower, Toormakeady, Lough Mask, Finny and Clonbur to Cong (58kms). A long cycle, but in beautiful countryside on a lot of quite roads. Cong is famous as the location for the film "The Quiet Man", as well as being home to Ashford Castle and many antiquities. Stay the night in B&B; dinner is available in the village of Cong.

DAY 3

From Cong, your target today is the village of Leenane. You depart after breakfast to cycle to Killary Harbour, passing through the Maam Valley (43km). You cycle through Joyce's Country. A fairly straight road, although a longer option on this day will be taking you over a variety of passes through the Mountains. The village of Leenane is snugly situated at the head of Ireland's only fjord Killary Fjord. It is well known in the last couple of years for the filming of John B. Keane's famous play "The Field", directed by Jim Sheridan and starring Richard Harris and John Hurt. There are a couple of pubs and restaurants in the village where you can have a very enjoyable evening.

DAY 4

You are heading back to Westport today, and your cycling route will take you via Leenane, Aasleagh Waterfalls to Westport (45km - with longer options). You are passing through a valley between the Sheefry and Partry Mountains. You stay the night again in a guesthouse and choose dinner in one of the many delightful restaurants.
